15 September 2026

Dear Parent

**RE: QES Whole School Photography**

Our school photographer, Fizz Photography, will be in school on Wednesday 23 September 2026 to take photos of all year groups, including our QE6, sixth form students.

QES students should be in full school uniform, including their blazer, tie and a clean white shirt. QE6 students should be smartly dressed as per the dress code (no hoodies, strappy tops or inappropriate logos).

We are pleased to announce that to streamline the process and ensure secure access to your child's photos, Fizz Photography have introduced a new, easy online registration system.

Please register now by following these simple steps:

1. Visit https://order.fizz-photography.co.uk on your phone, tablet or computer
2. Enter code: **JRR968UNCY**
3. Enter your child's name, and your contact details. (If you have more than one child, add each of them when registering, before entering your contact details).
4. If you know your child's form group, select this, otherwise choose their year group (don't worry about the class codes). For students in QE6, please select either Year 12 or Year 13.

You must register **BEFORE** the day of the photo shoot. Once registered, you'll be notified when photos are available for viewing and ordering, directly receiving your child's photo(s) via email/SMS. You can view and order photos with ease, from anywhere.

Your details will be used solely for sharing your child's personal gallery securely with you. You can learn more about Fizz Photography's data protection practices here: https://order.fizz-photography.co.uk/privacy-policy/

You will not be able to register on the day of the photo shoot or beyond. Parents who do not register will receive a manual proof slip in due course. Please don't miss this opportunity for a seamless photo day experience. Pre-register today!

Yours sincerely

Mrs V Abbott
Assistant Headteacher
